

For each child's individual stuff bag:

- 1 sleeping bag (a small lightweight bag is great, Lake Powell is HOT – for the adults I bring sheets, they take up less space and are much more comfortable on hot nights)
- 1 Pillow (for the kids I pack old pillows that compress well, I also have a few camping pillows that pack into a compact case)
- 1 Swim Suit per 2 days (I plan for the kids to wear each suit 2 times)
- 1 Swim Suit Cover up per 2 days (The girls all have cute dresses or wraps, the boys just need a swim shirt to keep the sun off)
- 1 Pair PJ's per 2 days (again, these should be cool, no sleeper feet involved here!)
- 1-2 Pair of light weight clothes per 3 days (we go for basketball shorts and t-shirts; something for the kids to wear to get out of their suits for a few hours. This is less important for some kids than others, my 9 year old daughter hates to be in a wet swim suit so she will change into her clothes 10 times each day.)
- 3 Pair of Underwear (Kids can wear the same underwear twice; they are only wearing them for a few hours anyway. If this freaks you out add more, they don't take up much space.)
- Flashlight
- Book
- Hat
- Sunglasses
- Life Jacket
- Toothbrush
- Hairbrush (Rubber bands and a comb for the girls)
- Water Bottle
- Glow Sticks
